MEMORANDUM FOR THE RECORD

SUBJECT: Proposed Bill on Wiretapping

STAT 1. At the request of Admiral Frost, I talked with [ ]  
[ ] on the attached wiretapping bill. I agree with him that  
there should be a further proviso in Section 3 relating to  
monitoring by U. S. Government of leased common carrier  
facilities for the purpose of protecting the security of  
Government communications over leased wires. We went  
over the specific wording of a new proviso and I suggested  
that insofar as possible we paraphrase the wording in the  
existing proviso making it applicable to the Government in a  
new proviso.
